The Clean Energy Pledge is a project of the California Student Sustainability Coalition (CSSC) in partnership with the Energy Action Coalition (EAC). CSSC is a network of over 20 higher education student organizations that connects and supports student initiatives to transform their institutions into models of sustainability. The Energy Action Coalition is a coalition of 50 youth-led environmental and social justice groups working together to build the youth clean energy and climate movement. For more information, visit www.sustainabilitycoalition.org.
